Honey, Honey

Sophie reads her mother's diary to her friends. The girls run around, excited by the idea of finally finding her father.

[Verse 1: Sophie]

Honey, honey, how he thrills me
Ah-ha, honey, honey
Honey, honey, nearly kills me
Ah-ha, honey, honey
I'd heard about him before
I wanted to know some more
And now I know what they mean
He's a love machine
Oh, he makes me dizzy!

[Verse 2: Sophie, Ali & Lisa]

Honey, honey, let me feel it
Ah-ha, honey, honey
Honey, honey, don't conceal it
Ah-ha, honey, honey
The way that you kiss goodnight
(The way that you kiss me goodnight)
The way that you hold me tight
(The way that you're holding me tight)
I feel like I wanna sing when you do
your... thing!

[Instrumental Break]

[Verse 3: Sophie, Ali & Lisa]

Honey, honey, touch me baby
Ah-ha, honey, honey
Honey, honey, hold me baby
Ah-ha, honey, honey
You look like a movie star
(You look like a movie star)
But I like just who you are
(I like just who you are)
And, honey, to say the least... you're a
doggone beast!

[Instrumental Break]

[Verse 4: Sophie]

Honey, honey, how you thrill me
Ah-ha, honey, honey
Honey, honey, nearly killed me
Ah-ha, honey, honey

[Outro: Sophie]

I'd heard about you before
I wanted to know some more
And now I'm about to see
What you mean to me

Money, Money, Money

Donna explains how hard the work on the island is and how she wishes she could live out her dreams.

[Verse 1: Donna]

I work all night, I work all day
To pay the bills, I have to pay
Ain't it sad?
And still there never seems to be
A single penny left for me
That's too bad

[Pre-Chorus: Donna]

In my dreams, I have a plan
If I got me a wealthy man
I wouldn't have to work at all
I'd fool around and have a ball

[Chorus: Donna]

Money, money, money
Must be funny
In a rich man's world
Money, money, money
Always sunny
In a rich man's world
Oh-oh-oh-oh
All the things I could do
If I had a little money
It's a rich man's world
It's a rich man's world

[Verse 2: Tanya, Donna, Rosie]

A man like that is hard to find
But I can't get him off my mind
Ain't it sad?
And if he happens to be free
I bet he wouldn't fancy me
That's too bad

[Pre-Chorus: Donna]

So I must leave, I'll have to go
To Las Vegas or Monaco
And win a fortune in a game
My life will never be the same

[Chorus: Donna]

Money, money, money
Must be funny
In a rich man's world
Money, money, money
Always sunny
In a rich man's world
Oh-oh-oh-oh
All the things I could do
If I had a little money
It's a rich man's world
Money, money, money
Must be funny
In a rich man's world
Money, money, money
Always sunny
In a rich man's world
Oh-oh-oh-oh-oh-oh
All the things I could do
If I had a little money
It's a rich man's world
It's a rich man's world

Mamma Mia

Donna realizes that the three men she once loved are all on the island at the same time.

[Verse 1: DONNA/MERYL STREEP]

I was cheated by you and I think you know when
So I made up my mind, it must come to an end
Look at me now, will I ever learn?
I don't know how, but I suddenly lose control
There's a fire within my soul

[Pre-Chorus: DONNA/MERYL STREEP & COMPANY]

Just one look and I can hear a bell ring
One more look and I forget everything,
wo-o-o-oh

[Chorus]

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again?
My my, just how much I've missed you

[DONNA/MERYL STREEP]

Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?

[DONNA/MERYL STREEP & COMPANY]

Mamma mia, now I really know
My my, I should not have let you go

[Verse 2: DONNA/MERYL STREEP]

I was angry and sad when I knew we were through
I can't count all the times I've cried over you
Look at me now, will I ever learn?
I don't know how, but I suddenly lose control
There's a fire within my soul

[Pre-Chorus: DONNA/MERYL STREEP & COMPANY]

Just one look and I can hear a bell ring
One more look and I forget everything,
wo-o-o-oh

[Chorus]

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again?
My my, just how much I've missed you

[DONNA/MERYL STREEP]

Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?

[Chorus: DONNA/MERYL STREEP & COMPANY]

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again?
My my, just how much I've missed you

Dancing Queen

Rosie and Tanya realize that all three of Sophie's dads are on the island where the wedding is taking place, but Donna is feeling horrible about it. So to cheer her up, Tanya and Rosie start singing this song to remind her that she doesn't need a man and girls are strong and amazing and they need to stick together.

[ROSIE & TANYA]

You can dance
You can jive
Having the time of your life
See that girl
Watch that scene
Diggin' the dancing queen

Friday night and the lights are low
Looking out for a place to go
Where they play the right music
Getting in the swing
You come to look for a king

[TANYA]

Anybody could be that guy
Night is young and the music's high
With a bit of rock music
Everything is fine
You're in the mood for a dance
And when you get the chance

[DONNA / TANYA / ROSIE]
You are the dancing queen
Young and sweet
Only seventeen
Dancing queen
Feel the beat from the tambourine
You can dance
You can jive
Having the time of your life
See that girl
Watch that scene
Diggin' the dancing queen

[DONNA]

You're a teaser, you turn ,em on
Leave ,em burning, and then you're gone
Looking out for another
Anyone will do
You're in the mood for a dance
And when you get the chance

[DONNA / TANYA / ROSIE]
You are the dancing queen
Young and sweet
Only seventeen
Dancing queen
Feel the beat from the tambourine
You can dance
You can jive
Having the time of your life
See that girl
Watch that scene
Diggin' the dancing queen
See that girl
Watch that scene
Diggin' the dancing queen

Our Last Summer

Sophie connects with the three men who could be her father. Each man shares a bit of their short experience with Sophie's mother.

[Chorus: Colin Firth]

I can still recall our last summer
I still see it all
Walks along the Seine
Laughing in the rain
Our last summer
Memories that remain

[Verse: Colin Firth, Pierce Brosnan, Colin Firth, Pierce Brosnan & Stellan Skarsgård, Stellan Skarsgård]

We made our way along the river
And we sat down in the grass by the Eiffel Tower
I was so happy we had met
It was the age of no regret
Oh, yes
Those crazy years, that was the time
Of the flower-power

[Pre-Chorus: Pierce Brosnan, Colin Firth, Colin Firth, Pierce Brosnan & Stellan Skarsgård]

But underneath, we had a fear of flying
Of growing old, a fear of slowly dying
We took our chance
Like we were dancing our last dance

[Chorus: Colin Firth, Pierce Brosnan & Stellan Skarsgård, with female choir]

I can still recall our last summer
I still see it all
In the tourist jam
Round the Notre Dame
Our last summer
Walking hand in hand
Paris restaurants
Our last summer
Morning croissants
Living for the day
Worries far away
Our last summer
We could laugh and play

[Bridge: Amanda Seyfried, Colin Firth]

And now you're working in a bank
A family man, a football fan
And your name is Harry
How dull it seems
Are you the hero of my dreams?

[Chorus: Colin Firth, Pierce Brosnan & Stellan Skarsgård with female choir, Colin Firth, Pierce Brosnan, Stellan Skarsgård & Meryl Streep with female choir, Colin Firth & Meryl Streep]

I can still recall our last summer
I still see it all
In the tourist jam
Round the Notre Dame

Our last summer

Walking hand in hand
I can still recall our last summer
I still see it all
Walks along the Seine
Laughing in the rain
Our last summer
Memories that remain

Lay All Your Love On Me

[Intro: Amanda Seyfried]
Don't go wasting your emotion
Lay all your love on me

[Verse 1: Dominic Cooper]
I wasn't jealous before we met
Now every man that I see is a potential threat
And I'm possessive, it isn't nice
You've heard me saying that smoking was my only vice

[Pre-Chorus: Dominic Cooper]
But now it isn't true
Now everything is new
And all I've learned
Has overturned
I beg of you

[Chorus: Amanda Seyfried]
Don't go wasting your emotion
Lay all your love on me

[Verse 2: Amanda Seyfried]
It was like shooting a sitting duck
A little small talk, a smile, and baby, I was stuck
I still don't know what you've done with me
A grown-up woman should never fall so easily

[Pre-Chorus: Amanda Seyfried]
I feel a kind of fear
When I don't have you near
Unsatisfied
I skip my pride
I beg you, dear

[Chorus: Dominic Cooper]
Don't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on me

[Verse 3: Amanda Seyfried & Dominic Cooper]
I've had a few little love affairs
They didn't last very long and they've been pretty scarce
I used to think that was sensible
It makes the truth even more incomprehensible

[Pre-Chorus: Amanda Seyfried & Dominic Cooper]
,Cause everything is new
And everything is you
And all I've learned
Has overturned
What can I do?

[Chorus: Dominic Cooper]
Don't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on me

[Outro: Amanda Seyfried]
Don't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on me

Super Trouper

[Intro: Meryl Streep, Julie Walters & Christine Baranski]

Super Trouper, lights are gonna find me
But I won't feel blue
Like I always do
,Cause somewhere in the crowd, there's
you

[Verse 1: Meryl Streep, Julie Walters & Christine Baranski]

I was sick and tired of everything
When I called you last night from Glasgow
All I do is eat and sleep and sing
Wishing every show was the last show
(Wishing every show was the last show)

[Pre-Chorus 1: Meryl Streep, Julie Walters & Christine Baranski]

So imagine I was glad to hear you're
coming
(Glad to hear you're coming)
Suddenly I feel all right
(And suddenly it's gonna be)
And it's gonna be so different
When I'm on the stage tonight

[Chorus: Meryl Streep, Julie Walters & Christine Baranski]

Tonight the Super Trouper, lights are
gonna find me
Shining like the sun (Sup-p-per Troup-p-per)
Smiling, having fun (Sup-p-per Troup-p-per)
Feeling like a number one
Tonight the Super Trouper, beams are
gonna blind me
But I won't feel blue (Sup-p-per Troup-p-per)
Like I always do (Sup-p-per Troup-p-per)
Because somewhere in the crowd, there's
you

[Verse 2: Meryl Streep, Julie Walters & Christine Baranski]

Facing twenty thousand of your friends
How can anyone be so lonely?
Part of a success that never ends
Still, I'm thinking about you only
(Still, I'm thinking about you only)

[Pre-Chorus 2: Meryl Streep, Julie Walters & Christine Baranski]

There are moments when I think I'm going
crazy
(Think I'm going crazy)
But it's gonna be alright
(You'll soon be changing everything)
Everything will be so different
When I'm on the stage tonight

[Chorus: Meryl Streep, Julie Walters & Christine Baranski]

Tonight the Super Trouper, lights are
gonna find me
Shining like the sun (Sup-p-per Troup-p-per)
Smiling, having fun (Sup-p-per Troup-p-per)
Feeling like a number one
Tonight the Super Trouper, beams are
gonna blind me
But I won't feel blue (Sup-p-per Troup-p-per)
Like I always do (Sup-p-per Troup-p-per)
Because somewhere in the crowd there's
you

[Bridge: Meryl Streep]

So I'll be there when you arrive
The sight of you will prove to me I'm still
alive
And when you take me in your arms
And hold me tight
I know it's gonna mean so much tonight

[Chorus: Meryl Streep, Julie Walters & Christine Baranski]

Tonight, the Super Trouper lights are
gonna find me
Shining like the sun (Sup-p-per Troup-p-per)
Smiling, having fun (Sup-p-per Troup-p-per)
Feeling like a number one
Tonight, the Super Trouper beams are
gonna blind me
But I won't feel blue (Sup-p-per Troup-p-per)
Like I always do (Sup-p-per Troup-p-per)
Because somewhere in the crowd there's
you

[Outro: Meryl Streep, Julie Walters & Christine Baranski]

Super Trouper, lights are gonna find me

Gimme! Gimme! Gimme!

"Gimme! Gimme! Gimme! (A Man After Midnight)" was the first single released from the soundtrack for the 2008 film version of Mamma Mia. Unlike the original stage version, Seyfried sings the complete song as a solo performance and also does the same in a music video to promote both the single and the movie. The song was originally sung by ABBA, from their Greatest Hits Vol. 2 album.

[Verse 1: Amanda Seyfried]

Half past twelve
And I'm watching the late show in my flat
all alone
How I hate to spend the evening on my
own
Autumn winds
Blowing outside my window as I look
around the room
And it makes me so depressed to see the
gloom

[Pre-Chorus: Amanda Seyfried]

Is there a man out there?
Someone to hear my prayer

[Chorus: Amanda Seyfried, Ashley Lilley &
Rachel McDowall]

Gimme, gimme, gimme a man after
midnight
Won't somebody help me chase the
shadows away?
Gimme, gimme, gimme a man after
midnight
Take me through the darkness to the
break of the day

[Verse 2: Amanda Seyfried]

Movie stars
Find the end of the rainbow with a fortune
to win
It's so different from the world I'm living in
Tired of TV
I open the window and I gaze into the night
But there's nothing there to see, no one in
sight

[Pre-Chorus: Amanda Seyfried]

Is there a man out there?
Someone to hear my prayer

[Chorus: Amanda Seyfried, Ashley Lilley &
Rachel McDowall]

Gimme, gimme, gimme a man after
midnight
Won't somebody help me chase the
shadows away?
Gimme, gimme, gimme a man after
midnight
Take me through the darkness to the
break of the day
Gimme, gimme, gimme a man after
midnight
Won't somebody help me chase the
shadows away?
Gimme, gimme, gimme a man after
midnight
Take me through the darkness to the
break of the day

[Instrumental Break]

[Pre-Chorus: Amanda Seyfried]

Is there a man out there?
Someone to hear my prayer

[Chorus: Amanda Seyfried, Ashley Lilley &
Rachel McDowall]

Gimme, gimme, gimme a man after
midnight
Won't somebody help me chase the
shadows away?
Gimme, gimme, gimme a man after
midnight
Take me through the darkness to the
break of the day

The Name of the Game

Sophie is with one of her possible fathers, Bill. Sophie continues to wonder who her father is, but questions if Bill is her actual father. As this goes, she re-thinks through how she met the three of them to the current time.

[Verse 1]

I've seen you twice, in a short time
Only a day since we started
It seems to me, for every time
I'm getting more open-hearted

[Pre-Chorus 1]

Your smile, and the sound of your voice
And the way you see through me
Got a feeling you give me no choice
And it means a lot to me
So I wanna know...

[Chorus 1]

What's the name of the game?
Does it mean anything to you?
What's the name of the game?
Can you feel it the way I do?

[Post-Chorus]

Tell me please, 'cause I have to know
I'm a curious child, beginning to grow

[Bridge 1]

And you make me talk
And you make me feel
And you make me show
What I'm trying to conceal
If I trust in you, would you let me down?
Would you laugh at me, if I said I care for you?
Could you feel the same way too?
I wanna know...
The name of the game

[Verse 2]

I have no friends, no one to see
And I am never invited
Now I am here, talking to you
No wonder I get excited

[Pre-Chorus 2]

Your smile, and the sound of your voice
And the way you see through me
Got a feeling, you give me no choice
And it means a lot to me
So I wanna know...

[Chorus]

What's the name of the game?
(your smile and the sound of your voice)
Does it mean anything to you?
(Got a feeling you give me no choice)
(But it means a lot)
What's the name of the game?
(I was an impossible case)
Can you feel it the way I do?

[Post-Chorus]

Tell me please, 'cause I have to know
I'm a curious child, beginning to grow

[Bridge 2]

And you make me talk
And you make me feel
And you make me show
What I'm trying to conceal
If I trust in you, would you let me down?
Would you laugh at me, if I said I care for you?
Could you feel the same way too?
I wanna know...
Oh yes I wanna know...

[Chorus]

The name of the game
(I was an impossible case)
Does it mean anything to you?
(But I think I can see in your face)
(That it means a lot)
What's the name of the game?
(Your smile and the sound of your voice)
Can you feel it the way I do?
(Got a feeling you give me no choice)
(But it means a lot)
What's the name of the game?
(I was an impossible case)
Does it mean anything to you?
(But I think I can see in your face)
(And it means a lot)

Voulez-Vous

A suspenseful song that is sung while Sky is having his bachelor party – Sophie finds out that Sam and Harry are both her fathers, after just finding out that Bill is her father. Sophie, who now finds that she has three fathers, ends up being distant from Sky and eventually faints after being pressured towards the ending of the song.

[Verse 1]

People everywhere
A sense of expectation hanging in the air
Giving out a spark
Across the room, your eyes are glowing in the dark

[Pre-Chorus 1]

And here we go again
We know the start, we know the end
Masters of the scene
We've done it all before and now we're back to get some more
You know what I mean

[Chorus]

Voulez-vous (ah-ha)
Take it now or leave it (ah-ha)
Now is all we get (ah-ha)
Nothing promised, no regrets
Voulez-vous (ah-ha)
Ain't no big decision (ah-ha)
You know what to do (ah-ha)
La question c'est voulez-vous
Voulez-vous...

[Verse 2]

I know what you think
„The girl means business, so I'll offer her a drink“
Looking mighty proud
I see you leave your table, pushing through the crowd

[Pre-Chorus 2]

I'm really glad you came
You know the rules, you know the game
Master of the scene
We've done it all before and now we're back to get some more
You know what I mean

[Chorus]

Voulez-vous (ah-ha)
Take it now or leave it (ah-ha)
Now is all we get (ah-ha)
Nothing promised, no regrets
Voulez-vous (ah-ha)
Ain't no big decision (ah-ha)
You know what to do (ah-ha)
La question c'est voulez-vous...

[Pre-Chorus 1]

And here we go again
We know the start, we know the end
Masters of the scene
We've done it all before and now we're back to get some more
You know what I mean

[Chorus]

Voulez-vous (ah-ha)
Take it now or leave it (ah-ha)
Now is all we get (ah-ha)
Nothing promised, no regrets
Voulez-vous (ah-ha)
Ain't no big decision (ah-ha)
You know what to do (ah-ha)
La question c'est voulez-vous
Voulez-vous...

[Bridge]

Voulez-vous (ah-ha)
(Ah-ha)
(Ah-ha)
Voulez-vous (ah-ha)
(Ah-ha)
(Ah-ha)

[Chorus]

Voulez-vous (ah-ha)
Take it now or leave it (ah-ha)
Now is all we get (ah-ha)
Nothing promised, no regrets
Voulez-vous (ah-ha)
Ain't no big decision (ah-ha)
You know what to do (ah-ha)
La question c'est voulez-vous...

SOS

[Verse 1: Pierce Brosnan]

Where are those happy days? They seem
so hard to find
I tried to reach for you, but you have
closed your mind
Whatever happened to our love? I wish I
understood
It used to be so nice, it used to be so good

[Chorus: Pierce Brosnan]

So when you're near me, darling, can't you
hear me?

SOS

The love you gave me, nothing else can
save me

SOS

When you're gone

How can I even try to go on?

When you're gone

Though I try, how can I carry on?

[Verse 2: Meryl Streep]

You seem so far away though you are
standing near
You made me feel alive, but something
died, I fear
I really tried to make it out, I wish I
understood
What happened to our love? It used to be
so good

[Chorus: Pierce Brosnan & Meryl Streep]

So when you're near me, darling, can't you
hear me?

SOS

The love you gave me, nothing else can
save me

SOS

When you're gone

How can I even try to go on?

When you're gone

Though I try, how can I carry on?

[Chorus: Both, Meryl Streep, Pierce
Brosnan]

So when you're near me, darling, can't you
hear me?

SOS (SOS)

And the love you gave me, nothing else
can save me

SOS

When you're gone

How can I even try to go on?

When you're gone (When you're gone)

Though I try, how can I carry on?

When you're gone

How can I even try to go on?

When you're gone (When you're gone)

Though I try, how can I carry on?

Does Your Mother Know

Pepper is trying to make several flirtatious advances to Tanya. She does not accept his advances, as much as she would want to, because of how young he is compared to her.

[Verse 1: Pierce Brosnan]

Where are those happy days? They seem so hard to find
I tried to reach for you, but you have closed your mind
Whatever happened to our love? I wish I understood

Slipping Through My Fingers

Donna reflects on her past with her daughter, Sophie, as she helps her get ready for her wedding day.

[DONNA]

Schoolbag in hand, she leaves home in the early morning
Waving goodbye with an absent-minded smile
I watch her go with a surge of that well known sadness
And I have to sit down for a while

The feeling that I'm losing her forever
And without really entering her world
I'm glad whenever I can share her laughter
That funny little girl

Slipping through my fingers all the time
I try to capture every minute
The feeling in it
Slipping through my fingers all the time
Do I really see what's in her mind
Each time I think I'm close to knowing
She keeps on growing
Slipping through my fingers all the time

Sleep in our eyes, her and me at the breakfast table
Barely awake I let precious time go by
Then when she's gone, there's that odd melancholy feeling
And a sense of guilt I can't deny

[DONNA & FEMALE COMPANY]

What happened to those wonderful adventures?
The places I had planned for us to go?
(Slipping through my fingers all the time)
Well, some of that we did, but most we didn't
And why? I just don't know

[DONNA & FEMALE COMPANY]

Slipping through my fingers all the time
I try to capture every minute
The feeling in it
Slipping through my fingers all the time
Do I really see what's in her mind
Each time I think I'm close to knowing
She keeps on growing
Slipping through my fingers all the time

(Instrumental)

[SOPHIE, spoken]
Do you think I'm letting you down?

[DONNA, spoken]
Why would you even think that?

[SOPHIE, spoken]
Oh, because of what you've done. I mean, the Dynamos, raising a kid, and running a business all on your own

[DONNA, spoken]
Well, Honey, I didn't have a choice. I couldn't go home. You know? When I got pregnant, my mother told me not to bother coming back, and I wouldn't have it any other way. My God, look at what we've had!

[SOPHIE, spoken]
Will you give me away?

[DONNA, spoken]
Yeah

[DONNA/, SOPHIE & FEMALE COMPANY]
Sometimes I wish that I could freeze the picture
And save it from the funny tricks of time
Slipping through my fingers (Slipping through my fingers all the time)

The Winner Takes It All

[Verse 1]

I don't wanna talk
About things we've gone through
Though it's hurting me
Now it's history
I've played all my cards
And that's what you've done too
Nothing more to say
No more ace to play

[Chorus]

The winner takes it all
The loser standing small
Beside the victory
That's her destiny

[Verse 2]

I was in your arms
Thinking I belonged there
I figured it made sense
Building me a fence
Building me a home
Thinking I'd be strong there
But I was a fool
Playing by the rules

[Chorus]

The gods may throw the dice
Their minds as cold as ice
And someone way down here
Loses someone dear
The winner takes it all (Takes it all)
The loser has to fall (Has to fall)
It's simple and it's plain (It seems plain)
Why should I complain? (Why complain?)

[Verse 3]

Tell me, does she kiss
Like I used to kiss you?
Does it feel the same
When she calls your name?
Somewhere deep inside
You must know I miss you
But what can I say?
Rules must be obeyed

[Chorus]

The judges will decide
The likes of me abide
Spectators of the show
Always staying low
The game is on again (On again)
A lover or a friend? (Or a friend?)
A big thing or a small? (Big or small?)
The winner takes it all (Takes it all)

[Verse 4]

I don't wanna talk
,Cause it makes me feel sad
And I understand
You've come to shake my hand
I apologize
If it makes you feel bad
Seeing me so tense
No self-confidence
But you see

[Chorus]

The winner takes it all
The winner takes it all
The game is on again (On again)
A lover or a friend? (Or a friend?)
A big thing or a small? (Big or small?)
The winner takes it all (Takes it all)

[Outro]

(So the winner)
(Takes it all)
(And the loser)
(Has to fall)
The winner takes it all

When All is Said and Done

[Verse 1: Pierce Brosnan]

Here's to us, one more toast
And then we'll pay the bill
Deep inside, both of us
Could feel the autumn chill
Birds of passage, you and me
We fly instinctively
When the summer's over
And the dark clouds hide the sun
Neither you nor I'm to blame
When all is said and done

[Verse 2: Pierce Brosnan]

It's been there in my dreams
The scene I see unfold
Who at last, flesh and blood
To cherish and to hold
Jealous fools will suffer, yes
I know and I confess
Once, I lost my way
When something good had just begun
Lesson learned, it's history
When all is said and done

[Verse 3: Pierce Brosnan, Pierce Brosnan
& Meryl Streep]

In our lives, we have walked
Some strange and lonely treks
Slightly worn but dignified
And not too old for sex
Clear-headed and open-eyed
With nothing left untried
Standing calmly at the crossroads
No desire to run
There's no hurry anymore
When all is said and done
You might also like

[Outro: Pierce Brosnan]

Standing calmly at the crossroads
No desire to run
There's no hurry anymore
When all is said and done

Take A Chance On Me

[Chorus: Julie Walters]

If you change your mind, I'm the first in line
(Take a chance, take a, take a chance,
chance)

(Take a chance, take a chance, take a, take
a chance, chance)

Honey, I'm still free, take a chance on me
(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)

If you need me, let me know, gonna be
around

(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)

If you got no place to go when you're
feeling down

(Take a chance, take a chance)

(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)

If you're all alone when the pretty birds
have flown

(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)

Honey, I'm still free, take a chance on me
(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)

Gonna do my very best and it ain't no lie

(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)

If you put me to the test, if you let me try

(Take a chance, take a chance)

(Take a chance, take a chance, take a, take
a chance, chance)

[Post-Chorus: Julie Walters]

Take a chance on me

Take a chance on me

[Verse 1: Julie Walters & Stellan Skarsgård]

We can go dancing (Uh-huh)

We can go walking (Yeah)

As long as we're together (Long as we're
together)

Listen to some music (Uh-huh)

Maybe just talking (Yeah)

You'd get to know me better (Get to know
me better)

[Pre-Chorus: Stellan Skarsgård & Julie
Walters]

,Cause you know I've got

So much that I wanna do

When I dream I'm alone with you

It's magic

You want me to leave it there

Afraid of a love affair

But I think you know

That I can't let go

[Chorus: Julie Walters & Stellan
Skarsgård]

If you change your mind, I'm the first in line
(Take a chance, take a, take a chance,
chance)

(Take a chance, take a chance, take a, take
a chance, chance)

Honey, I'm still free, take a chance on me
(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)

If you need me, let me know, gonna be
around

(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)

If you got no place to go, if you're feeling
down

(Take a chance, take a chance)

(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)

If you're all alone when the pretty birds
have flown

(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)

Honey, I'm still free, take a chance on me

(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)

Gonna do my very best and it ain't no lie

(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)

If you put me to the test, if you let me try

(Take a chance, take a chance)

(Take a chance, take a chance, take a, take
a chance, chance)

[Post-Chorus: Julie Walters]

Take a chance on me

Take a chance on me

[Verse 2: Philip Michael & Christine
Baranski]

Oh, you can take your time, baby (Uh-huh)

I'm in no hurry (Yeah)

I know I'm gonna get you (Know I'm gonna
get you)

You don't wanna hurt me (Uh-huh)

Baby, don't worry (Yeah)

I ain't gonna let you (I ain't gonna let you)

[Pre-Chorus: Julie Walters & Stellan
Skarsgård]

Let me tell you now

My love is strong enough

To last when things are rough

It's magic

You say that I waste my time

But I can't get you off my mind

No, I can't let go

,Cause I love you so

[Chorus: Julie Walters]

If you change your mind, I'm the first in line
(Take a chance, take a, take a chance,
chance)

(Take a chance, take a chance, take a, take
a chance, chance)

Honey, I'm still free, take a chance on me
(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)

If you need me, let me know, gonna be
around

(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)

If you got no place to go, if you're feeling
down

(Take a chance, take a chance)

(Take a chance, take a chance, take a, take
a chance, chance)

(Take a chance, take a chance, take a, take
a chance, chance)
If you're all alone when the pretty birds
have flown
(Take a chance, take a chance, take a, take
a chance, chance)
(Take a chance, take a chance, take a, take
a chance, chance)
Honey, I'm still free, take a chance on me
(Take a chance, take a chance, take a, take
a chance, chance)
(Take a chance, take a chance, take a, take
a chance, chance)
Gonna do my very best and it ain't no lie
(Take a chance, take a chance, take a, take
a chance, chance)
(Take a chance, take a chance, take a, take
a chance, chance)
You can put me to the test, if you let me try
(Take a chance, take a chance)
(Take a chance, take a chance, take a, take
a chance, chance)
(Take a chance, take a chance, take a
chance on me)
(Take a chance, take a chance, take a, take
a chance, chance)

[Outro: Julie Walters]

Ba-ba-ba-ba-ba, ba-ba-ba-ba-ba
(Take a chance, take a chance, take a, take
a chance, chance)
(Take a chance, take a chance, take a, take
a chance, chance)
Honey, I'm still free, take a chance on me
(Take a chance, take a chance, take a, take

I Have A Dream

[Verse 1]

I have a dream
A song to sing
To help me cope
With anything
If you see the wonder
Of a fairy tale
You can take the future
Even if you fail

[Chorus]

I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream
I have a dream

[Verse 2]

I have a dream
A fantasy
To help me through
Reality
And my destination
Makes it worth the while
Pushing through the darkness
Still another mile

[Chorus]

I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream
I have a dream
I'll cross the stream
I have a dream

[Verse 3]

I have a dream
A song to sing
To help me cope
With anything
If you see the wonder
Of a fairy tale
You can take the future
Even if you fail

[Chorus]

I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream
I have a dream
I'll cross the stream
I have a dream

Thank You For The Music

[Verse 1]

I'm nothing special, in fact, I'm a bit of a bore
When I tell a joke, you've probably heard it before
But I have a talent, a wonderful thing
,Cause everyone listens when I start to sing
I'm so grateful and proud
All I want is to sing it out loud

[Chorus]

Thank you for the music
The songs I'm singing
Thanks for all the joy they're bringing
Who can live without it?
I ask in all honesty
What would life be?
Without a song or a dance, what are we?
So I say, thank you for the music
For giving it to me

[Chorus]

So I say, thank you for the music
The songs I'm singing
Thanks for all the joy they're bringing
Who can live without it?
I ask in all honesty
What would life be?
Without a song or a dance, what are we?
So I say, thank you for the music
For giving it to me

[Outro]

So I say, thank you for the music
For giving it to me

[Verse 2]

Mother says I was a dancer before I could walk
She says I began to sing long before I could talk
But I've often wondered, how did it all start?
Who found out that nothing could capture a heart
Like a melody can?
Well, whoever it was, I'm a fan

[Chorus]

So I say, thank you for the music
The songs I'm singing
Thanks for all the joy they're bringing
Who can live without it?
I ask in all honesty
What would life be?
Without a song or a dance, what are we?
So I say, thank you for the music
For giving it to me

[Bridge]

I've been so lucky
I am the girl with golden hair
I wanna sing it out to everybody
What a joy, what a life, what a chance
